GUARDS HURT IN MICHIGAN PRISON RIOTS

BULLETIN
Jackson, Mich., April 21—(AP)—Six more guards were seized as hostages by mutineers at the state prison of southern Michigan today.

Jackson, Mich., April 21—(AP)—Rioting prisoners seized control of large sections of the big southern Michigan state prison today and set one building on fire in a continuation of an outbreak that began Sunday night.

The bulk of the Michigan state police force was rushed to the scene to guard the beleaguered institution and prevent any possible mass escape attempts.

Half a dozen prison guards had been injured as the rioting spread into mid-morning.

A night-long mutiny of some of the prison's toughest criminals touched off a series of new disturbances after daybreak.

Four prison guards were held as hostages by the mutineers.

The prison vicinity resembled an armed camp.

State troopers encircled the walls outside. Another 25 troopers, armed with sub-machine guns and tear gas, took stations on the prison roof.

At least two prison blocks, including a mental ward, and the mess hall were reported in control of the rioters.

In wrecked block 15, the isolated block where the most dangerous criminals are confined, the guard hostages were held.

Last night's riot which occurred about 7 o'clock in this block had touched off the series of disturbances.

Another followed at breakfast in the mess hall this morning.

Still others took place. Finally, prisoners swarmed into the big prison yard, taking control there, too.

Notorious "Crazy Jack" Hyatt, robber who once used a knife to make Gov. G. Mennen Williams his hostage in a futile escape attempt, led the original mutiny.

TO ATTEND MEETING
Attending the annual meeting of the Northwest District YMCA in Corry at 6:30 this evening from Warren are Mr. and Mrs. Charles G. Koebley, Mr. and Mrs. Hilmar A. Roes, Mr. and Mrs. Robert R. Young, and Mr. and Mrs. Dan K. Walton. The speaker for the affair will be Dr. James K. Quay, vice president of Princeton Theological Seminary and former YMCA secretary in Egypt.

NEW CASUALTY LIST
Washington, April 21—(AP)—The Defense Department today identified 142 additional battle casualties in Korea in a new list (No. 547) that reported 33 killed, 107 wounded, one missing and one injured.

Variety of Calls Over Weekend Require Police to Perform All Sorts of Duties

Week end police news reveals the usual variety of calls, with patrolmen performing all sorts of duties.

Two motor vehicle accidents were reported, one resulting in the injury of a four-year old boy, and the other in the arrest of the driver on a charge of leaving the scene of an accident.

Martin Reynolds, 4, son of Mr. and Mrs. Paul J. Reynolds, 10 Myrtle street, was struck by a car operated by Peter C. Linder, 113 Conewango avenue, near the intersection of Prospect street and Division about 7:15 p. m. Friday. The youngster suffered lacerations about the right eye and lips. He was rushed to Warren General Hospital for treatment, and then admitted.

Linder told police he was driving west on Prospect street when the youngster darted into the street from behind an oil truck which was unloading at the curb.

Saturday afternoon at 5:40 o'clock, police arrested Ronald B. Stover, 1309 Pennsylvania avenue, west, at his home following a one-car accident at Fourth and Poplar when Stover's car ran over the curb and struck a fire-hydrant and a tree in front of 316 Poplar street.

When officers arrived at the scene, Stover had left, but they traced him to his home where he admitted the accident. No one was injured, and Stover's car suffered about \$50 in damage.

Friday afternoon, police were called to the Widmann-Teah drug store at Pennsylvania and Liberty when two men were allegedly trying to pass some counterfeit money. They had left by time officers arrived, and the store personnel (Turn to Page Nine)

Primary Election May Leave In Doubt Until July Trend of State's Nominating Delegation

Philadelphia, April 21—(AP)—Pennsylvania's vegetable soup primary tomorrow may leave in doubt until the July Republican convention in Chicago the trend of this state's powerful 70-vote presidential nominating delegation.

As a housewife puts a little more onion and a carrot or two into the boiling soup, Pennsylvania politicians have thrown about everything into this election in which some 1,600,000 voters may participate.

Gen. Dwight D. Eisenhower's name is on the ballot. He is opposed by the thus-far weakest of Republican presidential aspirants—former Gov. Harold E. Stassen of Minnesota.

Sen. Robert A. Taft of Ohio, has repudiated any efforts to win write-in votes for him saying that it doesn't mean anything so far as the state's delegation is concerned.

Apparently, Taft has the right slant, because even Sen. James Duff, one of the Chief Eisenhower backers, has limited his home state predictions to a forecast of a "substantial" vote for the five-star general.

And Gov. John S. Fine, who might have the decision on how the majority of the state delegation goes at Chicago, hasn't said a favorable word for any candidate, with the possible exception of Gen. Douglas MacArthur, who claims he isn't running.

Democrats are just as confused about their primary, in which some 600,000 party members are expected to go to the polls. A million Republicans may vote.

There is no name on the Democratic ballot, a situation in which some party members believe Sen. Estes Kefauver of Tennessee will be able to shine again as a write-in candidate.

At 8:30 a. m. Saturday, on Route 6 near Pittsfield, a car operated by Darrell Hunsley, USN, of Riverdale, Michigan, ran off the road and sustained about \$100 in damage. No one was injured.

Sunday afternoon, at 1:50 p. m., near Saybrook, on Route 6, a car operated by Garland Dean, of Ashville, N. Y., went out of control and jumped a guard rail when Dean attempted to pass another car. Dean was treated by a Sheffield doctor for head lacerations.

Passengers in the car, Alice Haines and Violet Luce, both of Sergeant, were also treated for bruises and lacerations. Damage to the car was estimated at \$300.

At 3 p. m. Sunday, a fourth car operated by Joseph C. VanBuskirk, of Kinzua, also went out of control on Route 59 near Cornplanter and ran off the road. VanBuskirk was admitted to Warren General Hospital with a fractured clavicle. Damage to his car was placed at \$300.

Bonnie Gustafson, 25 Ludlow street, fell from a moving car near Kinzua yesterday, suffering head injuries and a fractured right arm. She was treated and admitted at Warren General Hospital for X-rays. Her condition is reported as good this morning. Police have no report of the accident.

Sgt. Donald Holmes, commanding officer of the local station, said that his officers made many arrests yesterday for both speeding and driving too fast for conditions, as the highways were loaded with the heaviest traffic of the year.

EMERGENCIES TREATED
Five emergency cases were treated at Warren General Hospital on Saturday and Sunday, all discharged after treatment. On Saturday, Teddy Cottillon, 201 Main avenue, was treated for laceration of the middle finger of his right hand. Also Saturday, Karen Werlin, 405 Hazel street, sustained a laceration of the forehead in a fall at home. Myrtle Dodge, 112 McPherson street, was treated for a laceration of the back of her hand, sustained from a broken window at her home Saturday.

Yesterday, Mrs. Oscar Line, of Youngville R. D. 1, sustained a fracture of the left arm in a fall while walking. She was discharged after a cast was applied. Also yesterday, Mrs. Florence Stone, 309 Fourth avenue, fell down the cellar steps at her home and suffered rib fractures. She was discharged after treatment.

SPECIAL COURT
Judge Allison D. Wade held a session of special court this morning, hearing evidence in a non-support matter.

SPARKS FROM LOCOMOTIVE BLAMED FOR FOREST FIRE IN CORYDON-KINZUA AREA

Twenty acres of medium-size growth were burned over in the first really costly forest fire in this area, this spring when sparks from a railroad engine started a blaze at Whiskey Run, between Kinzua and Corydon, first reported at 2:15 p. m. Sunday. Most of the trees destroyed were of six to eight inches in thickness, and the burned over section was entirely within the Allegheny National Forest at a point almost opposite the Cornplanter Reservation cemetery.

Allegheny National Forest, Pennsylvania Department of Forests and Waters men, and the Corydon Fire Department had the blaze under control at 4:45 but were still on guard up until darkness.

Warnings were again sounded by both offices today in regard to the tinder-like condition of the forests. Frost has straightened clotted leaves into a ruffled carpet which is ideal to sweep a blaze by leaps and bounds. Sunday's fire leaped over a 66-foot-high embankment to get a start in the actual woodland.

The Pennsylvania department extinguished a grass fire on the Gerald Schimmelfeng property, Jackson street extension, about noon on Sunday, and another at the head of McPherson street at 5:30 p. m.

FOUR KILLED IN ACCIDENT AT SPEEDWAY

Dayton, O., April 21—(AP)—A racing car spun crazily out of control into the Dayton Speedway grandstand yesterday.

When it came to rest, four persons were dead—including the driver, Gordon Reid, 29, of Burbank, Calif.—and at least 50 spectators were hurt.

It was one of the worst accidents on American tracks since 1929, when four persons were killed and 20 hurt at Winchester, Ind.

The crash lopped off Reid's head. It also decapitated Mrs. Ruby Ellen Shaffer, 43, of Springfield. The other victims were Robert Thatcher, 22, a track guard, and Gene Lawson, 19, of Dayton.

Some among the 14,000 attending the opening AAA sprint car program at the speedway had narrow escapes.

Reid had planned to drive the car in the 500 mile speed classic at Indianapolis May 30. He had been driving since the end of World War II, mostly in midget and "hot rod" competition.

The accident happened during the first trial heat. Reid's racer went out of control near the top of a bank for a turn. It spun through a retaining wall, shot through a standing-room crowd, ploughed into a paint barrel, and hit the grandstand.

GERMAN VISITOR
Guenther Thiel, graduate of a teacher training college, Straubling, Germany, in 1948, will be in Warren for a month beginning tomorrow for a program of study in the public schools of the borough. That Warren sponsor this period of visitation was requested by Paul S. Bodenmann, specialist in the Department of International Education Programs in the U. S. Office of Education, Washington, D. C.

Local Man Named To Head District Management Club

Carl M. Jones, of the Paramount Furniture Company and president of the Warren Foremen's Club, was elected president of the Western Pennsylvania Council of Industrial Management Clubs when it was organized during an all-day conference at the local YMCA Saturday.

Other officers chosen were: First vice president, Merritt H. Johnson, Erie; second vice president, Robert Williamson, Carnegie; secretary, H. Lyle Kemp, New Kensington; and executive secretary, Clyde W. Shotzberger, former Warren YMCA physical director and district secretary from Corry, of Harrisburg.

The new organization, which is made up of Industrial Management Clubs affiliated with the YMCA's in Western Pennsylvania, opened sessions Saturday morning under the chairmanship of Robert Williamson, of Carnegie. The major item of business taken up by the group was the adoption of a constitution.

Using a demonstration of pictures and recordings as a start, Len L. Clardy, a member of the York Foremen's Club, presented a new idea in discussion group programs as part of the meeting.

The eight towns besides Warren having representatives were New Brighton, Carnegie, Erie, Tarantum, New Kensington, Butler, North Side and Pittsburgh. Local delegates were Carl Jones, Wade E. Barre, Donald Anderson, Merritt Rohlin and Dan K. Walton.

The next meeting of the Council will be held in September at a place to be chosen by the executive committee.

SAFETY AWARDS ARE PRESENTED TO FOUR LOCAL MOTORISTS

Four more Warren drivers received safety awards Friday and Saturday, as a climax to the Junior Chamber of Commerce Safe Driving Week, with Friday's honors going to Mrs. Raymond Schwab of 12 Parker street, and to W. H. Smith of 402 Fourth avenue, while Saturday's awards went to Lavern Mathis of 14 Crescent street, Warren, and to Jack Mader of Kittanning, Pa.

Funds for the awards of \$5 to each driver were provided by the Warren County Motor Club, John Powley insurance agency, Garrison insurance agency, William P. Taylor insurance agency, and the Trailmobile Corporation. Chuck Swanson, co-chairman of the Safety Week committee, and Gerry Veeling followed Friday's winners, to check their driving habits, while Saturday's awards were made by the two chairmen, Mr. Swanson and Gordon Elmquist.

More than 200 Warren area drivers completed psycho-physical tests measuring certain of their key abilities during the three-day visit of the Pennsylvania Motor Truck Mobile Safe Driver Clinic in Warren last week, the big trailer having been brought here by the Jaycees.

CHAIRMAN OF YOUNG G. O. P. PLANS TRIP

Charles Tranter, chairman of the Young Republicans Club of Warren County, will go to Harrisburg Saturday, April 26, to attend a meeting of the state board of directors of the Pennsylvania Federation of Young Republicans. Tranter was recently elected to the state board at a meeting in Pittsburgh.

The state board will make plans on Saturday for a state-wide County Chairmen rally to be held on May 17 in Harrisburg. At that time Young Republican county leaders will meet with Governor John S. Fine to formulate plans for the fall election campaign.

John DeGross, State Athletic Commissioner and a Director of the School of Politics for the Republican National Committee, will lead the discussions. And all statewide candidates will be present to meet the Young Republican chairmen.

Members of Explorer Troop Enjoy Voyage

Members of Explorer Post 12, First Lutheran church, who embarked Friday morning in canoes for a trip down the Allegheny to Brady's Bend, were met there by their parents, Sunday afternoon, and transported back to Warren.

While the trip was thrill-packed, and was featured by a few narrow escapes, there were no upsets, no injuries, plenty to eat and the Weather Man was more than cooperative. A story about the trip, written by one of the Scouts, could not be used today because of an overabundance of Monday copy, but will appear in the Times-Mirror tomorrow.

Purchase Of Costly Statue For Hospital Is Denounced As Needless Expenditure

Criticisms in the following letter pertaining to the purchase and installation of a statue over the entrance of the New Warren General Hospital reflect sentiments freely expressed by citizens interested in the welfare of the community, and especially the provisions that are being made for the care of those persons who may find it necessary to be hospitalized:

April 20, 1952
Editor
Warren Times-Mirror

Dear Sir,
Several weeks ago it came to my attention that the hospital board had purchased a statue for installation as a decorative feature above the main entrance to the new hospital. The cost of the statue was reputed to be \$8,000.00 and this sum was alleged to have been expended from general building funds toward which most citizens and industries of Warren gave generously.

Believing this to be purely rumor or that the facts surrounding the purchase had been distorted, an investigation was made. The hospital board, through its chairman, has stated that the statue was purchased from the general building fund.

Further he states that it was ordered at the time of, or shortly after, the first drive for public contribution was launched several years ago. The price originally quoted was \$5,000; however this

was later increased to \$8,000 because of increased costs, principally of materials.

Based on the consideration that the money expended for the statue might better have been spent on increasing the medical and surgical facilities of the hospital, I so expressed myself to the chairman of the hospital board and was informed that a donor had recently agreed that if too much public objection were raised to the installation of the statue he would allow the board to announce that its procurement was not being made from the general fund. It was further stated that the board had unanimously approved the purchase on the grounds that it was a work of art necessary to the design of the building as prepared by the architects.

Beyond question the statue is a work of art and the generosity of the donor who has offered to underwrite the cost is exemplary. However the action of the board in making a purchase of this type even before obtaining funds required for the practicable minimum of hospital facilities in a serious matter. Equally as serious is the board action in placing an order, as they apparently did, without a limit on cost escalation.

It is an example of the inefficient use of quasi-public funds without known parallel in the history of Warren county. Assuming that this or some equal artistic decoration was needed to round out

Residents of County Have Opportunity To Help State Improve Voting Record

Registered voters of Warren county have an opportunity and duty tomorrow to go to the polls in record numbers to help Pennsylvania improve its Presidential Year voting record over 1948, when only 22 percent of those registered voted in the primary and 79 percent in the general election.

Both the primary and general election turnouts this year must be increased markedly if this great Commonwealth, home of the liberty bell, is to reverse its recent downward trend in election participation.

The 1948 Presidential vote, while amounting to 79 per cent of those registered, was only 85 percent of Pennsylvania's potential vote. The latter percentage, which takes

into account the great number of eligible citizens who failed to register, was the lowest Presidential Year turnout in 18 years. In 1936, when international issues were not nearly so critical as now, 72 percent of the state's potential voters cast ballots for President.

A county-by-county statistical summary released by the State Chamber of Commerce showed that current registration totals, reflecting a normal pre-primary decrease, are lower in most counties than last fall's general election registrations. The number of voters registered and eligible to vote in Warren county is 16,120 compared to 16,697 in last fall's general election. The next registration period will be from April 28 to September 13.

Most counties recorded an upturn in general election registrations between 1948 and 1951. The statewide increase totaled 137,127, or 2.89 percent, the State Chamber reported. Warren county kept pace with this upturn, showing a 1951 general election registration total of 16,697 compared to 15,896 in 1948. The county's percentage increase was 5.0 percent.

Despite the normal decline in registrations before primaries, most counties still have more voters registered now, for Tuesday's vote, than they had in the 1948 Presidential general election. In Warren county, the number registered at present is 224 greater than in 1948 (difference between Cols. 1 and 4).

Of the total of 15,896 registered in Warren county to vote in the 1948 Presidential general election, (Turn to Page Nine)

Local Minister To Be Honored May 4

At 11:00 a. m. on Sunday, May 4, one of Warren's best known residents and ministers, Dr. H. H. Barr, 13 Hertz street, will be honored in a special service in Grace Methodist church.

This year marks Dr. Barr's 50th year of service to the Methodist denomination. He first came to Grace church in 1912 and, through the years, as pastor, district superintendent and retired minister, has been associated with Grace church for 23 years.

Also on May 4, a reunion of a membership class of 30 members, received by Dr. Barr on May 4, 1913, will gather to renew friendships. Dr. Barr will preach the sermon at the 11:00 a. m. worship service and, with Mrs. Barr, will be honored with a reception in the church dining rooms at four o'clock.

Serving as the committee on arrangements for this anniversary event are Charles Berry and Mrs. Andrew Nelson.

SENATE GROUP ORGANIZES TO NIP SEIZURE

Washington, April 21—(AP)—President Truman told the senate today that if it restricts use of government funds for operation of the seized steel mills it may result in "paralyzing the operations of the government in an emergency."

In a letter to Vice President Barkley, the president hit out vigorously at Republican-sponsored moves to deny any funds for government operation of the mills.

He said enactment of the GOP proposals might lead to a complete shutdown in steel and "immediately reduce the ability of our troops in Korea to defend themselves against attack."

Further, the president contended, much of the debate on the matter has been of "extreme and misleading character."

Truman repeated what he had said in a message April 8—that he ordered "temporary operation" of the steel mills by the government "with the utmost reluctance; that the idea of government operation of the steel mills was thoroughly distasteful to me; and that I wanted to see it ended as soon as possible."

The message was sent to Barkley while Truman continued his cruise aboard the presidential yacht Williamsburg.

Meanwhile, Nathan Felsinger, chairman of the Wage Stabilization Board, and Ellis Arnall, price stabilizer, met at the White House with the National Advisory Board on Mobilization policy for a discussion of the steel situation.

John R. Steelman, aide to Truman, is now acting chairman of the advisory board.

Republicans sponsoring the move to cut off funds for government operation of the steel industry claimed growing Democratic support.

The proposed amendments would be tacked onto a \$60 million dollar bill to finance operations of most government agencies until June 30. Among them is the Commerce Department, operating the seized steel mills under Truman's orders. The bill is now before the senate.

Fishermen Caught With Illegal Trout Are \$310 Poorer

Five fishermen, all in one party, are \$310 poorer and wiser today, after being apprehended by Fish Warden Ross Bailey and Game Protector Dave Titus on the Little Farnsworth near Cherry Grove yesterday. They were hailed immediately before Justice of the Peace Paul Leiby of Rogertown, where informations were filed and fines assessed.

Largest contributor was John Andrich of Titusville, who had 13 brook trout over the legal limit, and who paid a fine of \$130 and costs.

Next to sweeten the fund was Robert Burdick, also of Titusville, who had 12 over the legal limit, and paid a fine of \$120 and costs.

William L. Schosser, also of Titusville, was in possession of a brook trout less than six inches. He paid a fine of \$10 and costs.

Walter M. Eder of Cleveland had in his catch three brooks less than six inches in length. He paid \$30 and costs. Vernon F. Heller, also of Cleveland, had two brooks less than six inches in length. His contribution was \$20 and costs.

First Contingent Of 28th Enjoys Leaves

Indiantown, Gap, April 21—(AP)—The first contingent of 28th Infantry Division members to return home from Europe started through final discharge machinery today after enjoying special weekend leaves.

The Army Separation Center granted all of the 167 returnees weekend passes immediately after their arrival late Saturday.

Joyous homecoming celebrations were the order of the day for most of the Pennsylvania Guardsmen, fresh from their tour of duty in Germany.

Separation Center officials planned to begin final processing today with most men expected ready for release by Wednesday or Thursday.

Large Frame Dwelling In Lexington Avenue Completely Gutted by Flames

Discovered at 3:35 a. m. Saturday in the large frame building at 905 Lexington avenue, occupied as office and warehouse by R. Punskey and Sons and as living quarters by Charles Eldridge, fire had gamed such headway by the time firemen were called that the structure was almost completely gutted. Five other fires over the week-end kept firemen on the jump, although three were of the grass and rubbish variety with no damage.

Mr. Eldridge, employed as night watchman at Hammond Iron Works, had banked the fire in the stove earlier in the evening when he went to work, but according to Fire Chief Charles Aibaugh, must have dislodged a live coal which fell under the stove. When the fire was discovered, the stove had fallen through the floor and the interior of the building was in flames.

Firemen laid three lines and spent almost three hours on the fire. No one was injured.

The loss had not been estimated this morning, but one of the partners said it was partially covered by insurance.

The east wing of the building is intact, but the remainder will be torn down and rebuilt, he said. At 12:30 p. m. Saturday, equipment went to 117 Russell street, where a fire had started from shorted wiring near a chimney in an upstairs apartment occupied by Donald Minn. The home is owned by Edward Jackson.

Firemen extinguished the blaze and returned to stations, only to be called out again immediately when smoke was noticed coming from the building. (Turn to Page Nine)

BLAZE IN BARN

Borough firemen made a fast run just before today noon to the Cole Furniture store, 2025 Pennsylvania avenue, east, to extinguish a fire in a small barn to the rear of the store. A horse, stalled in the barn, was not injured and damage was slight.

Appointment Of Delegate to Nurse Meeting Approved

The Warren County District of the Pennsylvania Nurses' Association has voted to approve the appointment of Mrs. Ada Boyle to represent this area as a delegate to the biennial nursing convention to be held in Atlantic City June 16 to 20. Mrs. Mary Nagurny was chosen as the alternate delegate.

Mrs. Boyle will represent Pennsylvania at the national convention, which is sponsored by the American Nurses' Association. The National League of Nursing Education, and the National Organization for Public Health Nursing will hold their conventions at the same time.

Delegates will come from every state in the union, the District of Columbia, Hawaii and Puerto Rico. The Pennsylvania delegation will have a major responsibility at the ANA meetings, as it will represent the state with the largest nurse membership in the organization. Lay members of the other national nursing organizations, and observers representing nurses' associations in other countries, are also expected to attend.

The convention delegates will vote on a new structure for their professional organization as well as on ways and means of improving nursing service. Plans developed at this biennial convention will then be put into effect by the various state nurses' associations during the next two years.

Employment conditions for nurses throughout the country will be discussed, and efforts made to plan their improvement so as to make better use of the existing nurses and to encourage young women to enter the nursing profession. This will aid the recruitment and other programs designed to alleviate the serious shortage of nursing service.

J. C. PENNEY'S

DRAMATIC TESTIMONY
OF A CHRISTIAN'S
SUCCESS IN BUSINESS

A "miraculous autobiography written by one of the real merchant princes of our time. This is the story of an inspiring life story by the man who lived it."

There is perhaps no greater inspiration for the Christian business man than the experiences of this man whose faith was the motivating force in his life. Starting with nothing, Mr. Penney was worth millions at the age of 50. At 58 he was in a hospital near death, his fortune gone and his honor impugned in the courts. Read how his faith never wavered, but grew stronger, and how he again rose to the pinnacle of financial success and regained his spiritual resources as well.

Blomquist Furniture Shop Presents the New Norge Line

Tuesday is a festive one at the Blomquist Furniture Shop for it marks the formal introduction of all Norge products by this enterprising firm, whose name has become a household word in North Warren, Warren, and vicinity.

The store will handle the complete line of Norge products, and other improvements were also made to give the firm every facility for television service.

Norge is well known throughout the country through its extensive national advertising, but largely through the enthusiasm of customers who own Norge equipment, and sing its praises wherever they go.

The Norge line consists of conventional and automatic washers, deep freezers, gas and electric ranges, refrigerators and hot water heaters, all leaders throughout the country.

The automatic washers have scored a hit wherever shown, featuring many advances in the industry. Clothes wash better, rinse better and dry better and use less water. It is not necessary to even set a dial. You simply press the time-line button and the washer takes over the entire job, giving clothes five warm rinses.

Low weekly payments may be made to further assist housewives to acquire this marvel of all washers.

The full staff of the company will be on hand tomorrow from 9 A. M. to 9 P. M. to welcome visitors and to explain the Norge line. They also extend their personal and company thanks to their many friends for the confidence that has been reposed in them, and assure everybody that they will receive the same courteous and efficient service they have always received from Blomquist Furniture Shop, knowing that the company's best advertising comes through satisfied customers.

VOTE ON TUESDAY

Tuesday is primary election day.

Every registered voter will count it a privilege to cast his ballot.

This is a presidential year, and the result of the voting in Pennsylvania is certain to provide facts and data to be added to the growing lists of arguments for or against many of the leading aspirants on the two major tickets.

Getting out the vote is important in any election year.

This year, in view of all that confronts our country, the need for Americans to go to the polls is especially great.

Millions of people over the world are frankly and brashly skeptical about American ideals, our aims and our staying power.

On the home front, we are confronted with the biggest peacetime budget in history, the biggest tax bill and the whole series of shocking government announcements.

In past presidential elections, approximately half the eligible voters of the nation have gone to the polls while the other half apparently did not care enough about their responsibilities as citizens to vote. The turnout has been even worse at primary elections.

Your poll officials will be glad to explain to you how you can "write-in" the name of your choice in the presidential preferential contest! Whether by voting machine or paper ballot, the process is simple!

USE CAUTION IN THE FORESTS

Numerous grass fires are reminders that the season is at hand when a few days of sunshine create hazardous conditions in field and woods, threatening not only extensive property damage but fiery death to many living things in the plant and animal world.

Foresters and wildlife conservationists dread the period before green growths have replaced dry, inflammable materials on the ground. They know too well the havoc wrought by uncontrolled forest and field fires, which involve unnecessary loss of valuable timber as well as destruction of food and cover for wildlife. In many cases, flames kill nesting birds and their eggs, or destroy animals too young or too panicky and bewildered to run away, even while escape may be possible.

Care to prevent field and forest fires is a responsibility resting on all who go afield or into the woods. Carelessness with grass or brush fires is inexcusable, as is the tossing away of lighted matches or burning tobacco by smokers while outdoors.

A series of traffic accidents reported by borough and state police over the weekend brought to a somewhat unhappy conclusion the Safe Driving campaign staged last week by the Junior Chamber of Commerce, although the record of smashups and injuries is no reflection on the good that results from such a drive.

Some interesting posters drawn by Junior High School students in the Safety Contest, are to be observed in store windows in the business district, indicating keen interest on the part of local pupils in the drive to avoid accidents.

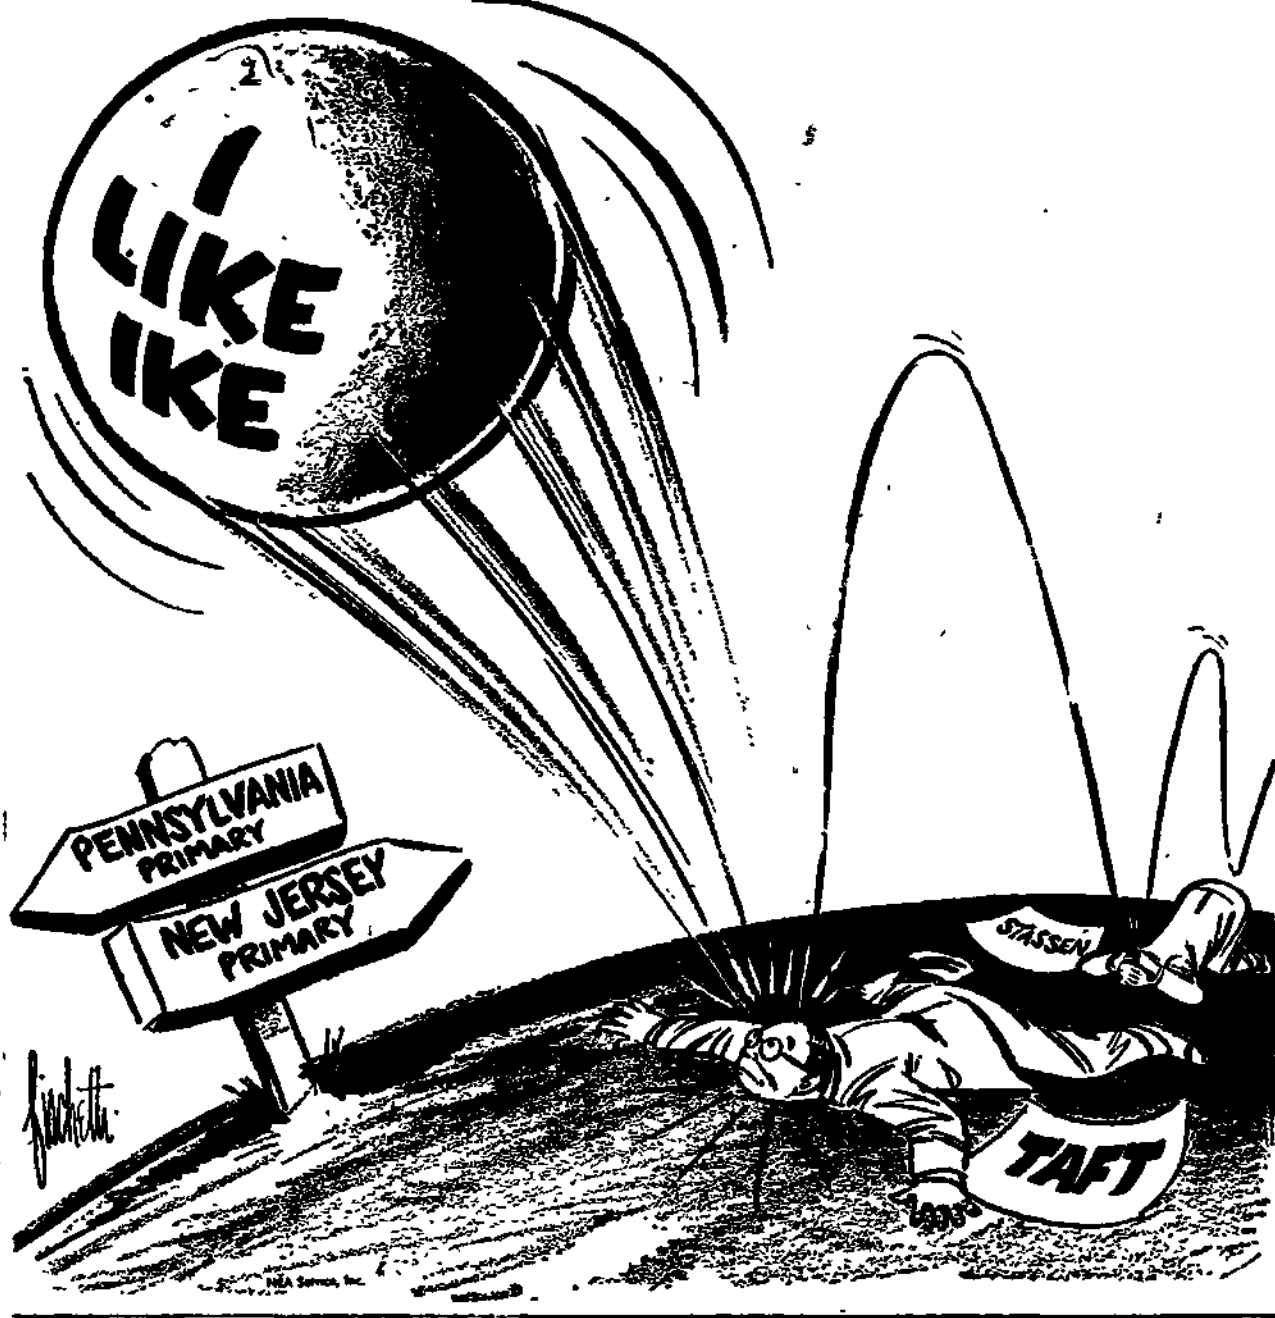

Announcement that the Jaycees have decided to increase the prize money offered for floats for the firemen's parade units in the Fourth of July Parade, it is hoped, will have the desired result in inducing many more entries for this interesting feature of the program.

Send in your contribution to the Cancer Fund by filling out the coupon that has been appearing in the Times-Mirror. Just enclose check and mail to "Cancer Fund, care of Warren Post Office, Warren, Pennsylvania." It will reach A. L. Rasmussen, treasurer, and you will receive an acknowledgment.

Be happy and you'll be beautiful, says a beauty expert. Most women try to be beautiful in order to be happy.

Soon the little kids will start playing in our front yard again. It won't be lawn now!

The Jersey Bounce

Here And There

A former well known Warren business man and civic minded citizen receives interesting mention in the weekly "Behind the News" column of the Corry Journal in this manner:

Dell Darling, who began the circus bill posting work which was eventually to make him the area's most avid fan of the Big Top, while a Corryite, this week had a private preview of the new movie, "The Greatest Show on Earth," in the living room of his old apartment. . . . now 74 years old and confined to his home by an arthritic condition, the former county commissioner worked as an advertising agent for the original Barnum and Bailey Circus in 1892 and 1893. . . . out of this association grew an affinity for the three rings which prompted him to see a circus at least once a year for the following 50 years. . . .

This is that: Surprised to observe that straw hats made their appearance over the weekend. . . . Just a reminder if you desire to

write-in the name of your choice as a presidential nominee at the polls tomorrow, you'll find a slot at the top of the machine, which works automatically after you write the name on the slip that will appear when you open the slot, on voting paper ballot it is much simpler. . . . Service club members are attending the Chamber of Commerce dinner Tuesday evening at the YWCA, but as "the case of those who do not plan to be present and desire to make weekly attendance there will be "round-tables" on regular meeting days at the cafeteria. . . . Gilbert offers the following caustic comment in the weekly Warren Kiwanis Club Bulletin, "A dime is a dollar with taxes removed." . . . The New York Central freight train was more than three hours late leaving Tusculum Thursday because of a lubricating leak in the motor, which required expert attention by a service man from Dunkirk. . . . The third annual Armed Forces Day will be observed May 17th, a Saturday, Secretary of Defense Robert A. Lovett, has announced. . . . The board of directors of the New Process Company has declared a dividend of fifty cents a share on no par common stock payable May 1, 1952, to stockholders of record April 21, 1952. . . . A budget of \$419,000 has been approved by the DuBois school directors, providing for practically the same plan of operations that were used in the previous year. . . . And over in Corry the board of education jumped the property tax one mill from 22 to 23 to balance a 1952-53 budget of \$363,848, a new record for school spending in that city. . . . Wouldn't be surprised if some strictly local names were written in as candidates for president in these United States in the voting tomorrow in Warren by practical jokers who think it would be a swell idea to see their own or the name of a friend posted as having appeared on a ballot.

Monday Mentions: The picnic table in Crescent Park in front of the new Warren General Hospital was used for the first time this season Sunday, when a gathering of six or eight adults and children was observed enjoying an outdoor meal. . . . A couple of south side boys took an unscheduled Sunday bath while preparing for a voyage upstream in a canoe powered with an outboard motor when the earth along the bank gave way as they were embarking early in the afternoon, upsetting the craft and plunging both in the murky stream, but doing no more harm than would result from a good ducking in cold water. . . . It was a delightful weekend and every person seemed determined to make the best of the opportunity to get out in the open. . . . Wednesday will be a big day for Struthers Wells Co. employees who will be concentrating on a well-organized effort to make the visit of the Bloodmobile a success, and from advance information there should be no doubt about the outcome. . . . There was much activity in cottages and camps along streams and in the forests of the area over the weekend, with owners renovating them for the summer season. . . . And finally, a reminder to be sure and go to the polls tomorrow, Primary Election day.

Solid GOP Old Guard in South Alarmed by Eisenhower Boom

BY PETER EDSON
NEA Washington Correspondent

WASHINGTON—(NEA)—The Taft-Eisenhower battle for the Republican presidential nomination is developing a beautiful preliminary bout for control of the Grand Old Party's machinery in the South.

Up until the Eisenhower boom got hot, this entrenched, stand-pat organization had been conceded to be Senator Taft's private domain. His managers have worked hard to deliver the South's 200-odd delegate votes for Taft at the Chicago convention.

Typical of how entrenched the Republican Old Guard has become in the South is the fact that Perry W. Howard, Mississippi Negro leader and National Committeeman, is now dean of the GOP National Committee.

Job of the Eisenhower backers in the South has been to gain a voice and at least an equal break in Republican state organizations. This is the fight now going on in Tennessee, South Carolina, Louisiana, Mississippi and the District of Columbia. . . . Florida, so alarmed was the GOP Old Guard machine under C. C. Spades that the state convention was held several weeks ahead of the scheduled date, before the Eisenhower crowd could get organized. As a result, Ike got only one delegate in Florida.

STRATEGY of the Eisenhower people has been to get organized at the precinct level and gain control of party machinery in open elections. Though trying to maintain the fiction that they were all political amateurs, the Eisenhower people have been fairly successful in these grass roots wrestling matches.

In the District of Columbia, however, the local Eisenhower-for-President people have been taking a terrible beating. But because this scrap among Republican factions in Washington is said to be so typical of the GOP in-fighting in the southern states, it has become a national story.

District of Columbia now rates six delegates to the Republican national convention, though District of Columbia citizens rate no vote in the November election. Control of the District of Columbia Republican "state" committee has always been tightly held. It was more like an exclusive Republican club.

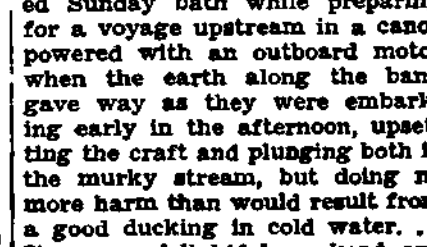

The members kept control largely as a matter of prestige, and ran things to suit themselves. Some precincts had as few as 30 registered Republicans. Their meetings were semi-secret, or else meeting notices would get lost or delayed in the mails.

WHEN the Eisenhower boom came along, D. C. Republicans wanting to support him began to take an interest in local politics. Among them, L. Corrin Strong of Strong Foundation and a young ex-Hoosier lawyer, Robert E. McLaughlin, president of the D. C. Ike club. . . . They immediately ran into stone wall opposition from the regular machine, headed by another lawyer, Joseph C. McGarraghy. The regulars had the machine greased to send six Taft delegates to Chicago. They controlled registration and held the voting lists secret. They wrote the rules, which hadn't been revised since 1916.

Eisenhower supporters demanded four reforms: 1—Use of public buildings, instead of private homes and offices, for registering voters. 2—Secret ballot for electing precinct committeemen and delegates to the D. C. GOP convention. 3—Open registration of new voters. 4—The usual privilege of posting watchers at the registration and the voting booths.

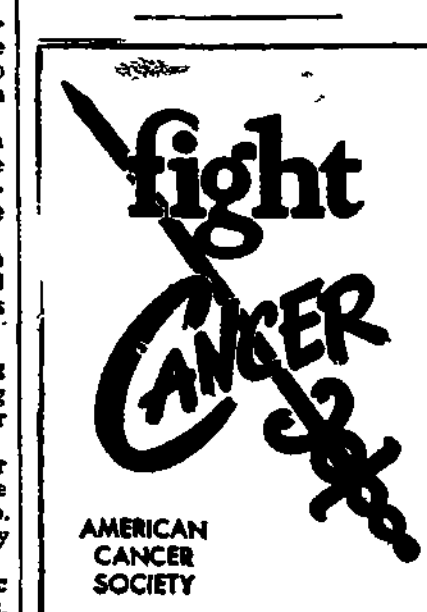

The McGarraghy machine has announced it will open the registration lists, but only after it has announced all the registered voters to their new precincts.

In spite of all these handicaps, the Eisenhower faction hopes it can muster enough strength to take over, or at least win an equal voice in District of Columbia Republican affairs.

HERE'S WHAT WE MUST DO TO DEFEND THE LAND OF THE FREE

WE MUST ALL WORK TOGETHER TO PRODUCE
THE THINGS AMERICA NEEDS FOR OUR
DEFENSE AGAINST AGGRESSION BUT—

**FIRST LET'S BE SURE WE KNOW
JUST WHAT WE MUST DEFEND!**

"FREEDOM AND FREE INSTITUTIONS CANNOT LONG
BE MAINTAINED BY ANY PEOPLE WHO DO NOT
UNDERSTAND THE NATURE OF THEIR GOVERNMENT"

**—AND HERE'S THE NATURE OR MORAL PURPOSE OF
GOVERNMENT THAT WE MUST UNDERSTAND—TO BE FREE!**

EVERY INDIVIDUAL, in receiving the gift of LIFE
from God, is given the responsibility of pre-
serving, developing and perfecting that gift.

So every person is given INDIVIDUALITY —
different faculties, different and various amounts
of talent with which to assume the responsibility
for his own existence.

Every individual is endowed by his Creator with
the LIBERTY to use his God-given faculties for
their intended purpose—and through the free
use of those faculties to acquire PROPERTY.

Every individual also has a natural right, from
God, to protect his God-given Life, Liberty and
Property from the interference of any other in-
dividual — BECAUSE THESE THREE GIFTS OF
GOD PRECEDE ALL MAN-MADE LAWS AND ARE
SUPERIOR TO THEM.

Therefore, all individuals must have equal politi-
cal rights and equal political duties. One group
cannot claim certain rights for itself, while
placing the duties on others. So if we are to keep
our God-given rights—

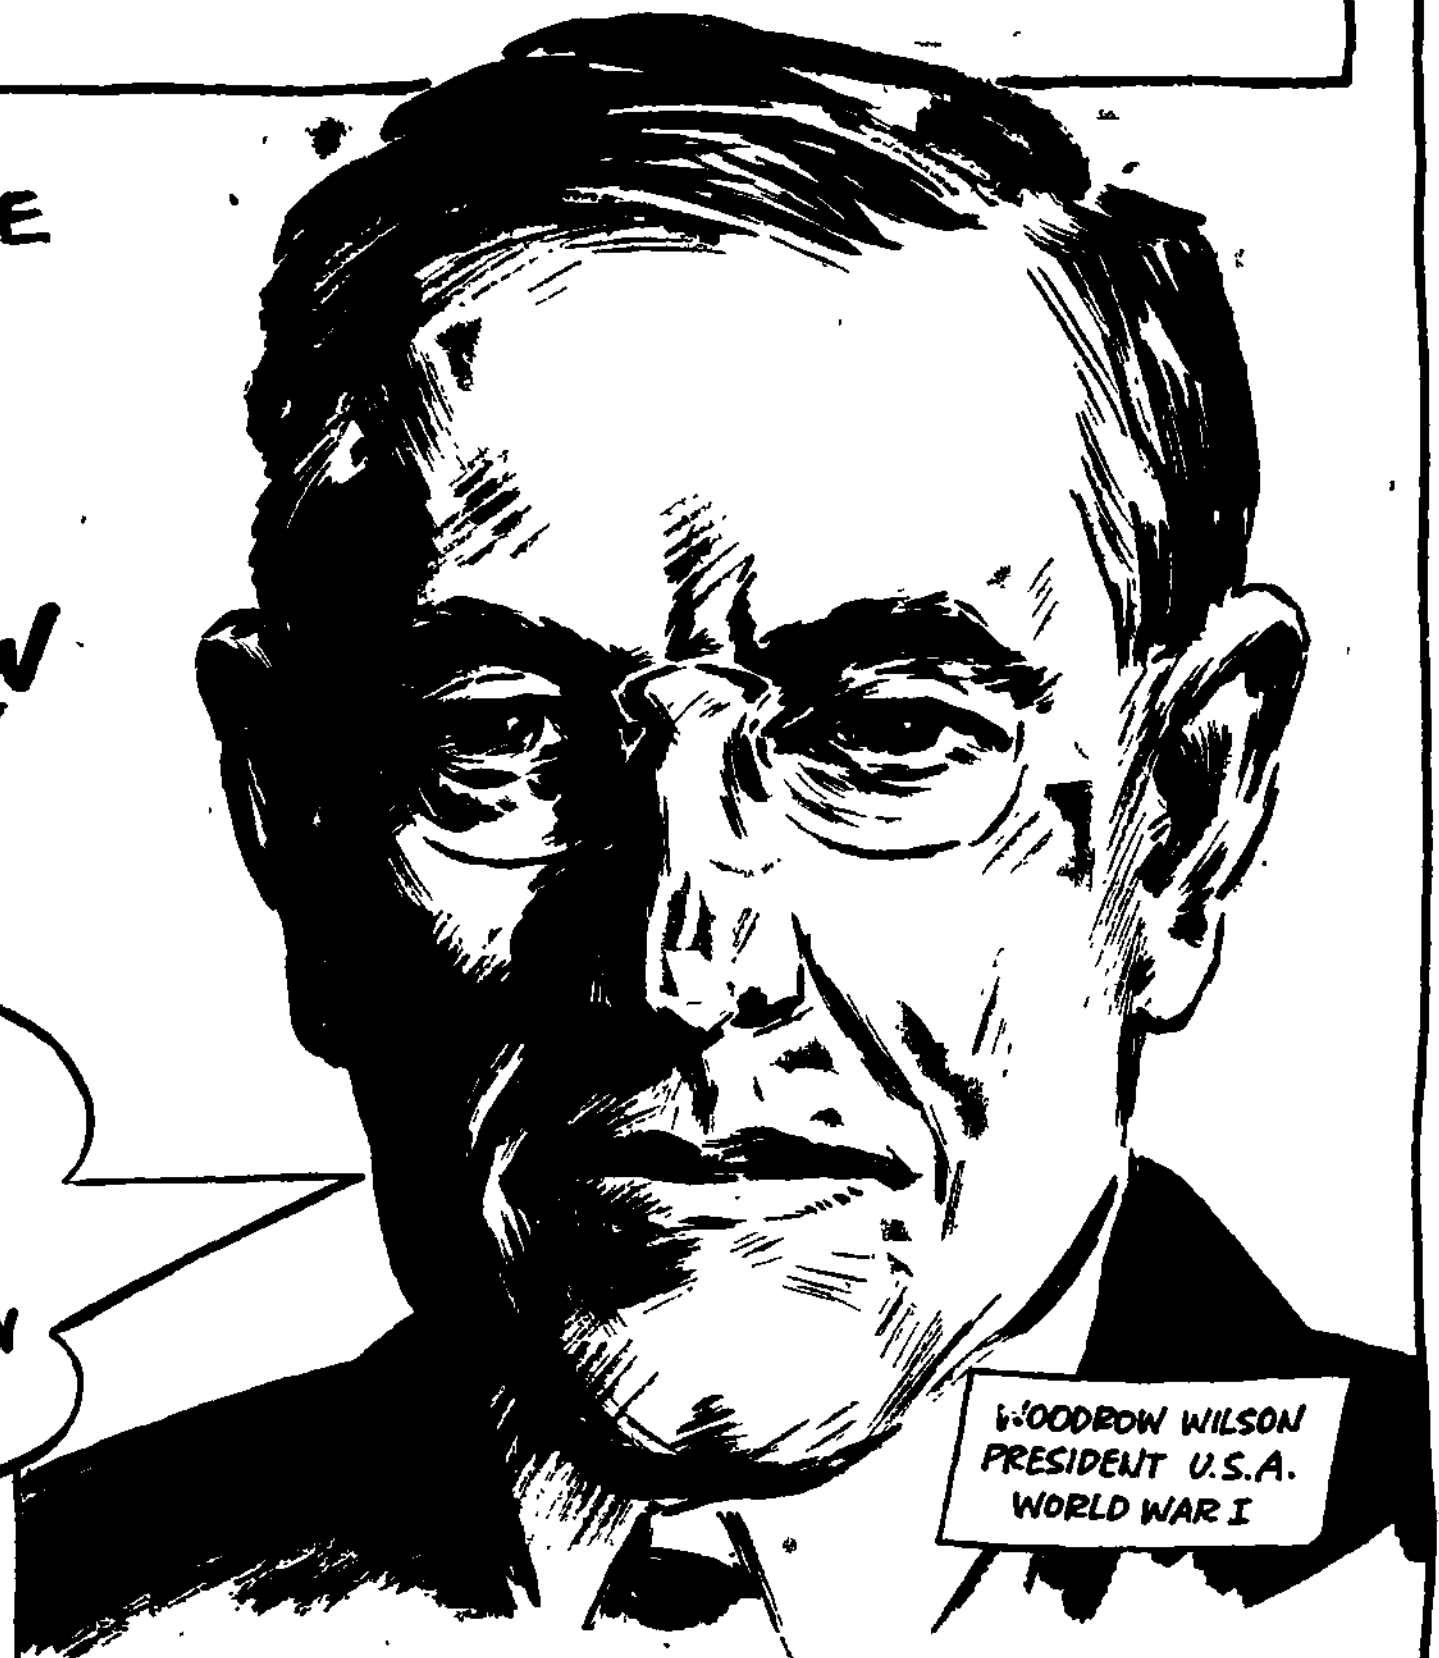

THE PURPOSE OF OUR GOVERNMENT MUST BE—

"TO MAKE AND ENFORCE LAWS WHICH
PROTECT EVERY INDIVIDUAL'S LIFE,
LIBERTY AND PROPERTY FROM THE INTER-
FERENCE OF ANY OTHER INDIVIDUAL —
AND THESE LAWS MUST PROTECT THE
PEOPLE FROM GOVERNMENT ITSELF"

All history proves that when a government does
not have this purpose it becomes immoral!

JUDGE ALL LAWS BY ASKING THIS QUESTION—
"DOES THIS LAW PROTECT EVERY INDIVIDUAL IN
HIS GOD-GIVEN RIGHT TO LIFE, LIBERTY AND
PROPERTY FROM THE INTERFERENCE OF ANY OTHER
INDIVIDUAL OR FROM GOVERNMENT ITSELF?"

GUIDE TO
FREEDOM

HOW CAN WE DEFEND FREEDOM WHEN
SO MANY PEOPLE DO NOT UNDERSTAND
THE NATURE OR MORAL PURPOSE OF
OUR GOVERNMENT?

IN A RECENT SURVEY 75% OF THE AMERICAN
PEOPLE BELIEVED THEY WERE AGAINST SOCIALISM, YET
66% OF THEM FAVORED GOVERNMENT
LAWS THAT FELL WITHIN THEIR OWN
DEFINITION OF SOCIALISM!

THEY HAVE COMPLETELY IGNORED THIS
LESSON FROM HISTORY:—

EVERY TIME A GOVERNMENT ATTEMPTED
TO PROVIDE GREATER BENEFITS FOR THE
PEOPLE THROUGH CENTRALIZED AUTHORITY—
IT TOOK AWAY MAN'S FREEDOM!
IT LOWERED HIS SCALE OF LIVING!
IT FINALLY CEASED TO EXIST!

ROMAN EMPIRE FELL IN 476 A.D.

Woman's Club Elects New Officers At Annual Meeting - Luncheon Saturday

Mrs. Robert Israel, resident of North Warren and active figure in many social and civic organizations, was elected president of the Woman's Club for the 1952-53 season at the annual business meeting of the organization Saturday afternoon at the clubhouse.

Named to serve with her were Miss Mildred Blair, first vice president; Mrs. Margaret H. Lewis, second vice president; Mrs. James Frantz, recording secretary; Mrs. H. L. MacBride, corresponding secretary; Mrs. E. G. Dawson, treasurer; Mrs. Robert Kinkadee, chairman; with Mrs. E. P. Wroth and Mrs. Grace Siegfried, house committee; Mrs. B. H. Mathis, chairman of entertainment committee; Mrs. W. E. Lutz, club historian; Mrs. Harriett Wilkins, chairman of music committee.

The business session, conducted by the retiring president, Mrs. W. H. Cowden, followed a one o'clock luncheon served in the auditorium. A long officers' table across the base of the stage and smaller tables about the room were all centered with flower casts filled with spring blossoms, crystal holders, and tall white tapers flanking each. Mrs. D. E. Conaway, a past president, gave the invocation.

During luncheon, Mrs. Francis Ericsson sang two beautiful selections, "O Lovely Rose" and "When I Have Sung My Songs," with Mrs. John Wendell playing the piano accompaniment. Continued applause at the end of the Charles composition brought her back to sing "Getting To Know You" from "The King and I."

Extending a welcome and expressing her thanks for the beautiful

luncheon arrangements, Mrs. Cowden opened the business meeting with the report of the historian, Mrs. Lutz.

After referring briefly to club projects of the season just concluding, Mrs. Lutz reported nine members deceased, Miss Mabel Abbott, Mrs. C. T. Connor, Mrs. Maude Whitcomb, all charter members; Mrs. Allison Wade, Mrs. J. H. Alexander, Mrs. B. F. Clawson, Mrs. Leon Johnson, Mrs. James Connelly, Ludlow, and Mrs. J. P. Fenstermacher. Each has been remembered by the club with a book placed in Warren Public Library, she stated, asking members to stand in a moment's silent tribute to these faithful club figures.

Routine reports were given by the secretary, Mrs. L. S. Cleveland, and the treasurer, Mrs. Dawson; house committee, Miss Mildred Blair; Art Department, Mrs. Warren Stone; Literature Department, Mrs. George Walker; Community Service Department, Mrs. Alan Jackson; Drama Department, Miss Mary Craft; Entertainment Committee, Mrs. F. A. Beardsley. Mrs. H. L. MacBride spoke of the annual Talent Recognition Show in May; Mrs. Mathis announced a rummage sale for the same month; Mrs. W. C. Fuellhart reported for the nominating committee.

Following her election, Mrs. Israel reminded that she is counting on her board and full membership for cooperation in the coming year's work and made announcement of a number of projects that will be carried out in coming months. Mrs. F. L. Plummer will be chairman and Mrs. Dawson the treasurer for the Summer Foreign Student Program, she stated; it is likely another club bazaar will be held in some form, with Mrs. James Frantz, Mrs. C. A. Rudiger and Mrs. Leon Laskaris as co-chairmen.

Concluding, Mrs. Mathis made several announcements for the annual May Day breakfast, saying that all ticket sales reports must be made to Mrs. T. L. Armstrong no later than April 28.

Married More Than a Year? Check Up on Your Attitude

DEFINITION of a wife: "A woman who once thought a certain man was perfect."

Judging from my mail, the wit—or maybe he was a philosopher—who thought up that definition hit the nail squarely on the head. Wives DO seem more interested in their husbands' faults than in their good qualities.

That isn't true before marriage. Before marriage a girl dwells on all the good qualities of the man she loves. She thinks about his good qualities, enumerates them when she is talking about him to her parents and her friends.

One of her most fascinating topics of conversation, so far as the man she is in love with is concerned, could be summed up under the heading, "What I like about you is..."

CHANGE OF ATTITUDE COLORES ALL THINKING

IT is a sad day for the happiness of a marriage when a woman changes from the "what-I-like-about-you" attitude to the "the-trouble-with-you-is" approach. It colors all of her thinking. It influences her in her relationship to her husband. It colors her conversation when she is talking about him.

It abruptly changes her from the one person in the world her man feels understands him to someone who isn't satisfied with him as he is, but is determined to improve him.

So how about you? If you've been married longer than a year it might be well to check up on your own attitude.

Does it reflect an honest conviction that your husband is a pretty special sort of person?

Or have you become the kind of wife aptly described by the definition: "A woman who once thought a certain man was perfect?"

Friday—1:00, Warren Council of Church Women will have its annual May Day luncheon at First Methodist church.

Successful Easter Ball Is Country Club Feature

One of the nicest spring parties held in many seasons at the Cone-wango Valley Country Club was the formal Easter Ball on Saturday evening. Following dinner, an evening of very danceable music was provided by Van's Quartet, with guests taking a special delight in the music of Violinist Andolara.

To Mr. and Mrs. Richard Costley, as co-chairmen, must go the major praise for the planning which resulted in most attractive decorations but credit goes, too, to those persons who comprised their very able committee: Mrs. Geislen Howell, Mrs. S. W. Blackman, Dr. and Mrs. Robert Donaldson, Mr. and Mrs. Andrew Paucek, Mrs. R. S. Hartung, Mr. and Mrs. P. M. Prichards.

Baskets of spring flowers were everywhere and in the center of the ceiling hung the beautiful crystal ball secured from the YMCA. Surrounding it were large crepe paper Easter eggs in a variety of colors and mantel were huge rabbits to carry out the seasonal theme.

Next big event on the club calendar will be Juke Box Night on Saturday, May 10.

RUSSELL REBEKAHS

Russell, April 21—Noble Grand Mary Holcomb was in charge of the regular meeting of Lady Pine Grove Rebekah Lodge, when an invitation was received from Maplewood Lodge in Sugar Grove to attend a meeting there on May 1st and enjoy door work to be put on by Jamestown and Lakewood lodges.

Mrs. Scott Phillips, Mrs. Richard Enos and Mrs. Elburn Briggs were appointed as a committee for the cake-baking contest for Rebekah and IOOF members' wives, to be held May 3. A public card party will be held at 8:00 p. m. and cake and coffee will be the refreshments.

To conclude the meeting, refreshments were served by Mrs. Richard Enos, Mrs. Robert Haley, Mrs. Edison Bailey, Mrs. Elburn Briggs and Mrs. Gerlie Feeney.

LOTTVILLE TROOP TO SPONSOR CONCERT

Arrangements are being completed by Lottville Boy Scout Troop 20 to sponsor a sacred concert at the Methodist church next Monday, April 28. The program will be presented by the men's chorus of the Youngville Evangelical United Brethren church, under the direction of Miss Treva McKinney. The detailed program will be announced later this week.

Inside Story of the Spring Silhouette

By DOROTHY ROSE Associated Press Fashion Editor

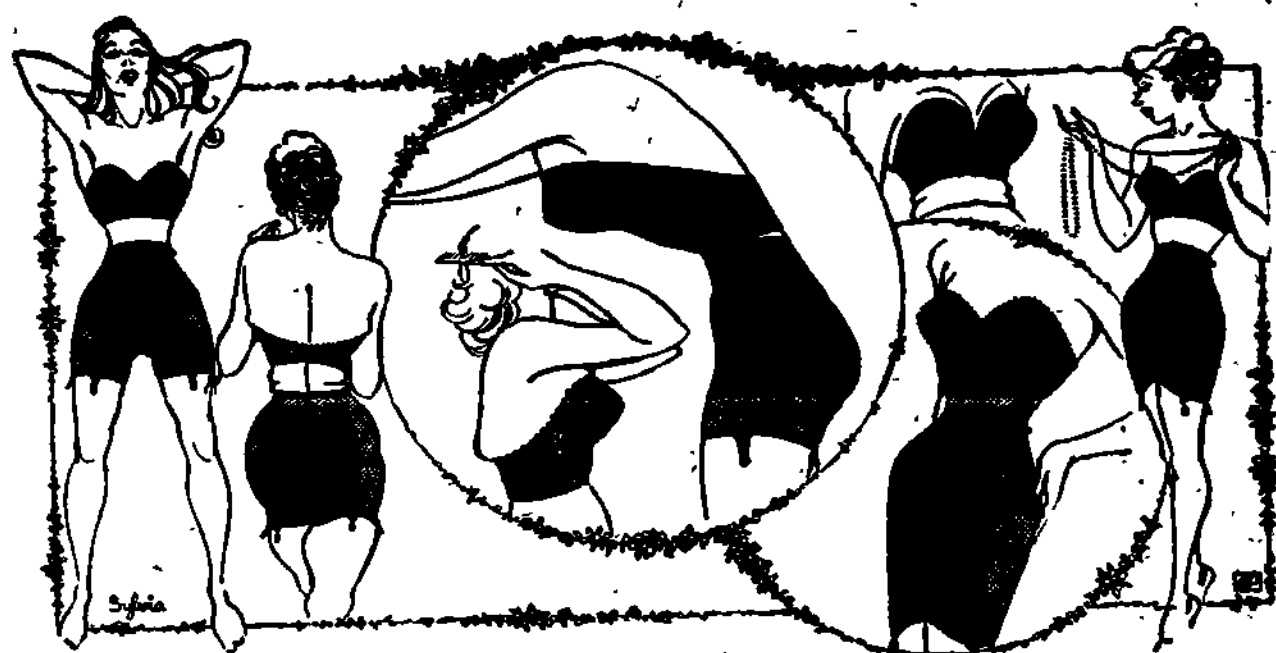

You can be sure that the gal who gets all the admiring stares has given careful attention to the body beneath her new spring suit.

The most fashionable ensemble isn't going to look right if it is draped over a bulging midriff and bumpy thighs. And even women with good figures can distort them by wearing the wrong kind of foundation garments.

Frances Sider, bathing suit and sportswear designer who recently has branched out to include the inside story, has worked out a combination which she feels will streamline the body beneath the 1952 silhouette.

Her original all-in-one foundation, consisting of panty or regular girdle and attached strapless bra, now may be had with detachable snap-on parts. But the point is still the same—girdle and bra are designed to go together, leaving no rubber-tire roll between.

Start with the body, advises Miss Sider, before adding the top dress.

RIGHT AND WRONG FOUNDATIONS... Properly designed and fitted girdles and bras or all-in-one foundations will eliminate these common figure faults, says Frances Sider, designer of "the body." Girl at far left is properly fitted in panty girdle and bandeau, as contrasted with back view sketch showing midriff and thigh bulges. In center circle is illustrated one of common results of too-tight strapless bra, the back bulge, and the carefully fitted all-in-one foundation which corrects this. The badly fitted bra at top makes unsightly bulges, absent from figures at right.

HOME EC SCHEDULE

Monday—8:30 radio program; 1:30, meeting for instruction in furniture refinishing at the Wilson home at Swede Hollow; 8:00, Married Couples Senior Extension Club at Lottville.

Tuesday—8:30, radio program; afternoon conference with home management specialist, Doris Conklin; 4-H conference in local office.

Wednesday—10:30, clothing construction meeting at the Hemlock community center, and basketry meeting at the Ertola home, Goodwill Hill.

Thursday—8:30, radio program; 10:30, pattern alternation meeting at North Warren community house, and all-day meeting to complete club projects at the Christensen home at Cherry Grove.

Friday-Saturday—Spring weekend at State College, or open house at the School of Home Economics.

LEGION AUXILIARY

Members of Chief Complanter Unit, American Legion Auxiliary, are reminded of the 6:30 tureen dinner which will precede their regular eight o'clock business session tomorrow evening. A large turnout is hoped for, since delegates are to be named for the Inter-county Council meeting to be held at Smethport on Saturday. The program for the meeting will cover child welfare and the Pan-American study of Cuba.

AT BARRETT HOME

The Women's Missionary Society of North Warren Presbyterian church will hold its regular meeting at 8:00 p. m. Wednesday at the home of Mrs. Kenneth Barrett, Lansing street.

STUDENT COUNCIL TALENT CONTEST

Warren High School Student Council, endeavoring to determine the tops in talent in the school, has plans all set for a Ta-Mo-De, which will be staged on Friday night of this week and will be open to the public.

After an elimination staged through student assemblies, given by sophomores, juniors and seniors over the past two months, winners will compete in the Friday night show for the championship.

There will also be a movie and a dance, according to the Council advisors, Jean Spencer and E. R. McLaughlin.

PERSONAL ITEMS

Mr. and Mrs. Fred Lenkter, of Brook street, attended the double-header between Cleveland Indians and Detroit Tigers at Cleveland yesterday.

The many friends of Mrs. Carrie Sager, 9 Dartmouth street, will be interested to learn that she is convalescing satisfactorily from an illness that has kept her confined in bed the past week.

DOOMROCK

BY ARCHIE JOSCELYN

Chapter 3

THE moon was up as he neared the big Walden ranch house, giving plenty of light to see the other buggy with its own high-stepping team of milk-white horses approaching from the opposite direction.

Tarson was beside him as he started up the flagged stone walk toward the house.

"Aren't you a little off your range, Russell?" he asked bluntly.

"Not me, Matt," Steve assured him urbanely. "I'm here to take Melody to the dance. You got business with Cass, maybe?"

"I'm taking Miss Melody to the dance," he retorted. "Where did you get a notion that you could horn in on me, Russell?"

Before a reply could be given, the door was opened by Wong who doubled both as cook and footman on occasion.

"Tell Miss Melody that I'm here to take her to the dance, Wong," Matt Tarson said, catching Wong's eye, merely grinned and jerked his head. Wong grinned in turn.

"Melbysso you tell her yourself," he suggested. "She comin' now." Both men turned to look.

Melody Pascoe made a picture, half-way down the broad sweep of stairs, and she was quite aware of it, pausing momentarily to permit them full appreciation.

The gown she wore tonight might be termed decorous, but somehow it was vastly if subtly different. It was a perfect frame for her blonde beauty. Melody paused only a moment, then came on and across the room.

"Hello, Matt," she said. "Are you going to dance, too?" She turned her smile, warming subtly, to Steve. "I'm ready, Steve," she added.

Tarson stared, his face darkening with the rush of blood. Words

came to his head.

"A good time, yes," Steve agreed. "But not inside here. Matt, these other folks are here for the dance."

MRS. MARY E. DAVIS

Services will be held Tuesday afternoon at two o'clock at the Halwig Funeral Home in Olean, N. Y., in memory of Mrs. Mary E. Davis, widow of John M. Davis, 115 South Fifth avenue, Olean, N. Y., whose death occurred last Wednesday at Clearwater, Fla., where she had been making her home.

FRED C. PHILLIPS

Funeral services in memory of Fred C. Phillips, 605 Lexington avenue, were held Friday afternoon at two o'clock from the First Church of the Nazarene, with the Rev. John Z. Andree assisted by the Rev. A. W. Phillips, son of the deceased. During the service, Mrs. Andree and Mrs. Arthur Briggs sang "The Old Rugged Cross," and Mr. and Mrs. Preston Taylor sang "Beyond the Sunset". Mrs. Briggs playing their piano accompaniment. Interment was made in the Stearnburg, N. Y., cemetery, with Leroy Harmon, William Farnsworth and Theodore Carter.

C. J. FREDERICKSON

Charles J. Frederickson, well known and respected resident of 204 Central avenue, died at his home at 12:05 a. m. today after having been in failing health for the past several months. Born in Varmland, Sweden, on May 31, 1872, he came to Warren more than 50 years ago and, prior to his retirement, was an employee of the old Warren Veneer and Panel Company for a period of 24 years. He was a member of Bethlehem Covenant church.

Residents of County Have Opportunity to Help State

(From Page One)

only 12,814 actually went to the polls. This compares with 12,587 who voted in the gubernatorial election in 1950.

The voters of Warren county have a special challenge to participate in the primary election tomorrow. The candidates whose names will appear on the ballot for state and Congressional offices next November 4 will be determined.

Removal has been made to the Templeton Funeral Home, where friends will be received at the usual hours, starting at seven o'clock this evening. Services in his memory will be held from there at 2:30 p. m. Wednesday, the Rev. David Carlson, pastor of Bethlehem Covenant church, officiating and interment taking place in Oakland cemetery.

INFANT MCINTYRE

Robert Clair, infant son of Mr. and Mrs. Robert McIntyre, 810 Stone avenue, died at Warren General Hospital at 5:15 a. m. Sunday. He was born April 14. Besides his parents, he leaves two sisters, Lois and Cathy, at home; and these grandparents, Mr. and Mrs. Clair McIntyre, Mr. and Mrs. Burton Cable, all of Warren; and a number of aunts and uncles. was unable to furnish an accurate description of the men.

One drunk was gathered in from Beech street Friday evening and locked up for the night.

Saturday morning, police were called to the Mercury-Lincoln garage on Pennsylvania avenue, west, where some person had removed fender skirts and an exhaust deflector from a car in the garage parking lot. Damage was also done to a rear-view mirror in an attempt to remove it from the car. Police are investigating.

Saturday evening, officers were called to the east side where a lady had locked herself out of her home. Officers gained entrance through a second story window. Also Saturday evening, they found the door to a local store open. Upon investigating, they also found the safe open, but no evidence of burglary. They charged it up to carelessness.

Early Sunday morning, in addition to scaling homes to second story windows, officers demonstrated their linguistic ability by delivering a message to 10 Puerto Ricans who were waiting at the local bus terminal for transportation to New York state where they were employed in truck gardens.

Within a few minutes, the police were called to Fourth avenue when a prowler was reported. They found no one.

They concluded the weekend by investigating a group of kids on the east side who were engaged in the pleasant pastime of throwing rocks at a home.

DAIRYMEN'S LEAGUE TO MEET AT MAYVILLE

Dairymen's League Cooperative Association members in Chautauque county, N. Y., and Warren county, will hold a sub-district meeting in the Grange Hall, Mayville, April 24. Members will be guests of the Mayville Local.

A variety of subjects will be touched upon at the meeting, among them the closing of the Afton plant after League members delivering there voted to divert their milk to other plants as part of an over-all efficiency move. The recent League purchase of the Matthews Dairy, largest dairy firm in Towanda, is of great interest to members also, as is the present status of the so-called Grant case, a federal court action started by six New York state dairymen to prevent cooperatives from receiving payments for services that they perform for all dairy farmers in the New York Milk Shed.

CORRY TOURNAMENT

Seventeen teams-of-four, representing the NYPenn Bridge League and the Erie Bridge Association, enjoyed a Sunday tournament, in the Hotel Corry, with four teams from Warren. M. A. Kornreich, D. A. Scallise, James R. Valone and J. A. Scallise, qualifying in top position in the afternoon, fell to third in the evening finals. Two Erie teams, with 29½ and 29 points, took first and second places, with Warren totaling 28½. Besides the Warren players, there were four teams from Corry and Erie, two each from Jamestown and Watertford and one from North East.

MARRIAGE LICENSE

A marriage license was issued Friday at the Court House to Robert Joseph Haben, of Warren, and Catherine Carolyn Stevens of McKeesport. Several applications were filed over the weekend, and are awaiting issuance pending filing of blood tests and other requirements.

from a partition. They returned and laid a 1½ inch line to soak the embers down.

A fire in the same spot from the same cause occurred only 13 months ago, according to fire department records.

Friday, at 1:09 p. m., firemen were at 1014 Spring street where they extinguished a grass fire with Indian tanks. Later in the afternoon, at 4:54 p. m., another grass fire at Cayuga and Wayne was doused with the portable tanks.

Saturday morning at 10:32 o'clock, a rubbish fire at the rear of the bus barns on Pennsylvania avenue, east, required 50 minutes of soaking with water pumped from the millrace.

This morning at 7:16 o'clock, the box at the East street plant of the Sylvania Corporation rang in an alarm. All equipment rushed to the plant, but there was no fire.

U.N. HELPS THE PEOPLE TO HELP THEMSELVES

IN MANY lands people improve their education and learn more about their fellowmen through the efforts of the United Nations Educational, Scientific and Cultural Organization (Unesco).

WITH the advent of DDT malaria has ceased to be one of death's special agents, yet the toll is still high. Here, a WHO expert shows Turkish doctors how to analyze the insecticide which they prepare.

EXPERTS of the Food and Agriculture Organization of the United Nations (FAO) show Haitian farmers how to produce fish in their ponds, to increase the food supply of that Caribbean country.

SINCE the partition of Palestine thousands of Arabs have taken refuge in neighboring countries. The U.N. Relief and Works Agency for Palestine tries to provide opportunities for a better future. Here is a group of them working on an UNWRA road building project.

DESPITE THE RAPID advance of technology during the past two or three centuries, much less than half of the world's population are enjoying the material and social benefits created by the application of modern scientific techniques in industry, agriculture, public administration, health and related fields. The rest of the world's inhabitants—more than one and a half billion people—continue to live as they did centuries ago, many of them in need of the bare necessities of life.

Well aware of this situation, the United Nations has launched a program of technical assistance to aid in the economic development of underdeveloped countries. In cooperation with its related agencies U.N. today has aided a total of 70 countries and territories providing them with experts on matters ranging from tax administration to cottage industries, from how to take a census to tapping underground water in the desert. In addition, a total of about 1000 international fellowships and scholarships have been approved in the fields of economic development, public administration and social welfare.

U.N. Secretary-General Trygve Lie has said that, apart from the urgent political

questions, there is perhaps no area of the work of the United Nations that should attract more support than its technical assistance program. "The fundamental thesis of this program is to help people to help themselves, by introducing them to skills and organizational techniques necessary for the most effective economic use of their own resources, personnel and traditions."

This is the purpose of technical assistance, the job of making scientific knowledge, technological skill and operational "know how" available to countries needing them. This is not by any means all the help that is needed for backward countries to develop their economies, but it is a vital factor, a factor that is needed at all stages of economic development from a survey of the possibilities to the actual building of a power plant.

Through its many organs and specialized agencies, U.N. works in many directions to make the world a better place to live. The illustrations on this page offer only a few examples of what the world organization is doing. The results may well be the beginning of a new memorable phase in the social and economic history of mankind.

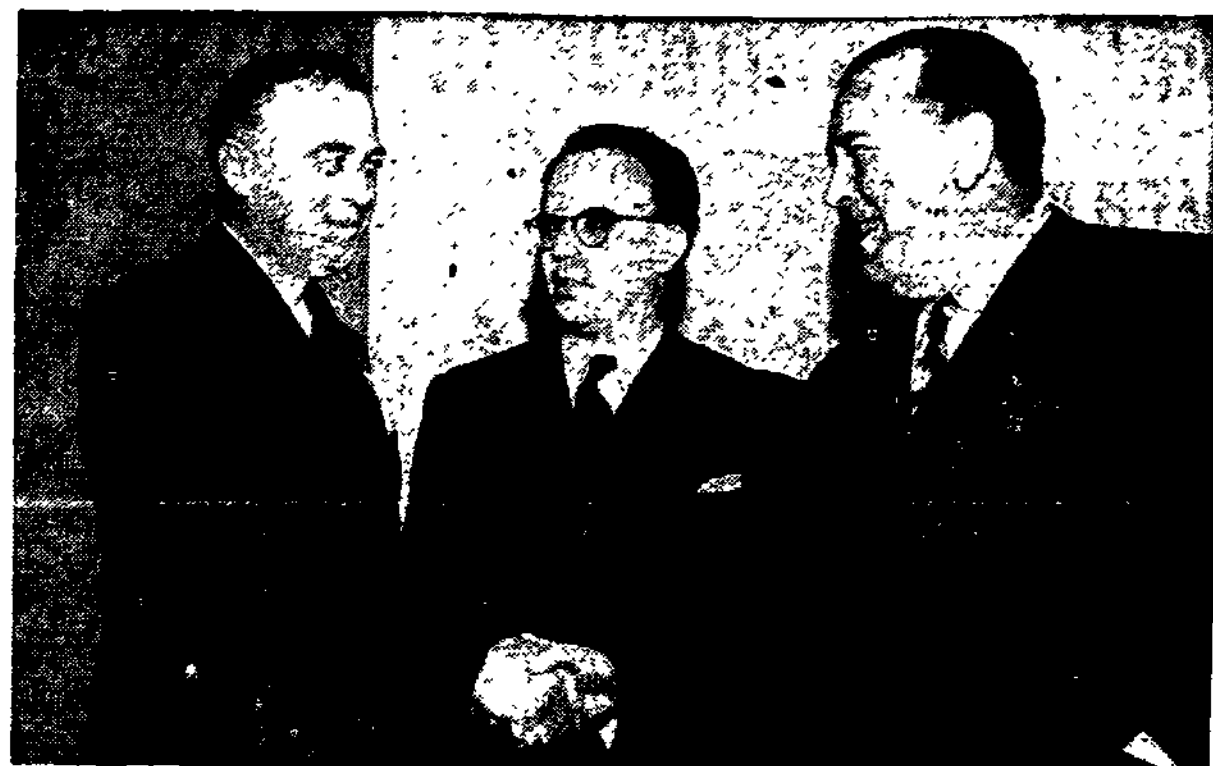

SEED from the most commonly grown types of hybrid corn has been supplied to Italy by the United States through the Food and Agriculture Organization of the United Nations (FAO). This seed is now being tested in various parts of Italy for adaptability to that country's soil.

DR. HUGH L. KEENLEYSIDE of Canada (at the left), Director-General of the United Nations Technical Assistance Administration, is congratulated by U.N. Secretary-General Trygve Lie, upon his appointment to direct one of the organization's most far-sighted programs. Looking on is Mr. A. David Owen, U.N. Assistant Secretary-General in charge of the Department of Economic Affairs.

PROBLEMS of water supply and flood control have plagued the world since the beginning of time. These Greek villagers have learned how to protect their crops and control their rivers by using idle manpower for community development, another phase of U.N. technical aid program.

IN MANY countries a productive agriculture sometimes spells the difference between life and death. This Indian expert explains to villagers of Bombay how to make the most of their crops and to convert waste land into profitable vegetable gardens. The picture is from a movie produced by U.N.

JACH CLAIMS S. TEAM IS S BEST EVER

Warren's spirited desire to be sent on a U.S. Olympic team the second straight time was done Friday night, when Ho-Barr, Warren High School, wrestling coach and candidate at Olympic Wrestling Trials in S. Ia., was eliminated.

1948 Ray Sorenson, a War-native, qualified on the Olym-pygmastic team at tryouts at College.

Warren was eliminated under the Olympic rules of penalty points Friday night after he was de-nied by Gene Nicks, of Okla-homa A. & M. That afternoon he decided Carl Abell, Cleve-land, and on Thursday he de-nied him over Jack Erickson, Iowa State University, and Tom-as, 310-pound Negro lad from Diego, Cal.

Warren's three decisions on the part Barr gave the local entrant a penalty points, one for each lift, and the loss Friday night set up the necessary points to in-ate him from going further in the fourth round.

Warren, who beat out Bobson, of Warren, in the regional out-ings in Pittsburgh and in the Great Lakes Tourney, also to the fourth round. Bronzie, representing Edinboro State Teach-ers' Lyman Blackmar, Au-ri, U. I. in 1:55 in the third round he trials, but lost by a fall to Thomas, U. S. Navy, Friday it to become eliminated.

Plan Meeting Wednesday To Organize Church-YM Softball League for Coming Summer

Conditions will represent this country at Finland.

This leaves the way open for Henry Wittenberg, New York policeman who suffered a minor in-jury, then lost his first bout in nearly 400 matches Saturday, to defend his 191-pound Olympic title.

Dale Thomas, a Michigan State physical education instructor from Marion, Ia., de-cisioned Wittenberg, undefeated since 1938. Thomas won the 191-pound crown.

Other champions were Hugh Peery, University of Pittsburgh; 114.5; Billy Borders, University of Oklahoma, 125.5; Josiah Henson, Tulsa, Okla., 136.5; John Fletcher, Warren, R. I., 147.5, an alternate member of the 1948 team; Bill Smith, Cedar Falls, Ia., 160.5; Dan Hodge, Perry, Okla., 174; and Bill Kerslake, Euclid, O., unlimited weight.

The second-place winners include Sam Coursen, Forty Fort, Pa., 114.5; and Len DeAugustino, Lock Haven State Teachers College, 136.5.

Commissioners Go Along to Eliminate 'Unfair Treatment'

By Robert Moore
Hot Springs, Va., April 21—(P)—The National Association of Col-lege Commissioners wants to abolish "unfair treatment" of officials at athletic contests and is going to back the National Col-lege Athletic Association to the limit in eliminating rules infrac-tions.

The commissioners of the na-tion's 10 major athletic confer-ences closed out their four-day annual meeting here yesterday by passing a resolution urging spectators and coaches to maintain an "attitude of fair play" toward the officials, particularly in football and bas-ketball games.

"It is becoming increasingly dif-ficult to enlist and retain the ser-vices of capable officials in college sports x x x because of the unfair treatment frequently accorded of-ficials by coaches and spectators," the resolution said. "x x x Satis-factory competition is impossible without officiating of the highest competence x x x."

The resolution was the second passed by the commissioners dur-ing their stay here. Late Satur-day, the commissioners pledged their "wholehearted support" of the NCAA regulations governing intercollegiate sports.

They also applauded the efforts made by various groups to im-prove college athletics and said in the same resolution that the "un-desirable trends" which followed World War II were rapidly dis-appearing.

The conference heads said that they planned to carry reports of NCAA rules infractions "to a na-tional level" whenever it is neces-sary.

When the commissioners arrived here last Thursday, they had plan-ned for lengthy discussions on re-com-mendations made last winter by a special committee on athletic policy of the American Council on Education. However, when the subject was brought up Saturday afternoon, there was very little debate.

Johnson Is Suspended, Fined for Cancellation

Philadelphia, April 21—(P)—Har-old Johnson of Philadelphia, rated number two contender for the world light heavyweight boxing title, was suspended indefinitely and fined by the Pennsylvania Athletic Commission for calling off a match with Clarence Henry.

Commissioner John (Ox) Da-grosa fined Johnson \$1,000 and ordered him to repay promoter Herman Taylor \$3,000 and Henry \$1,000 for expenses involved in preparation for the bout. Dagrosa handed down the decision after a weekend hearing.

Johnson scored an upset decision over Henry in March and had signed for a return bout. It was postponed once until next Satur-day but then Johnson notified Tay-lor he would not be able to fight because of a nose obstruction which impeded his breathing.

An examination by the commis-sion's doctors failed to disclose anything which would affect John-son's fighting.

Nichols Garage and Scalise Bros. Win in K. of C. Leagues; Meet to Decide Championship

The K. of C. American and K. of C. National league bowling champions were decided this week-end when Nichols Garage defeat-ed Gibsons Funeral Home for the American crown and Scalise Brothers downed East Side Fruit for the National title. These two winners will now roll-off for the K. of C. championship.

Paul Coppola, bowling for East Side, turned in the best perfor-mance of either match with a 634 (238-147-249) score. For Scalise Brothers Tony Fazio was top man with a 555 total. Only seven pins made up the difference in the first game, but Scalise Brothers pick-ed up 200 in the second game and then nearly lost them all in the third.

D. Scalise fired a 596 game to lead Nichols, while Fred Aumer pounded the sticks for 550 to head Gibsons.

Scoring:
Nichols 881 843 863—2587
Gibsons 842 775 807—2424
East Side 805 762 821—2488
Scalise Bros. . 788 962 777—2537

From the weekly publication of the Pennsylvania Game Commission we clip the following mention of the Warren Field and Stream Club:

"The Warren Field and Stream Club, Warren, Pa., apparently be-lieves Johnny Appleseed pioneered a worthwhile program.

"This spring, the club distribut-ed 500 packets containing three varieties of seeds of trees and shrubs that produce ideal wildlife habitat. Sportsmen receiving them were advised where and how to plant for best returns, and were warned to avoid planting in the country over-run with deer.

"The Warren organization is widely known for its vision and public spiritedness. Here again the Field and Stream Club shows the way by planting to increase later game populations through the development of the prime wild-life necessities, food and cover."

Jack Kifer posted a new high game of 110 in the Head Pin Tour-ney this weekend.

SHE'S THE SAFEST LADY ON THE ROAD

With Chrysler **POWER STEERING** plus Chrysler **POWER BRAKES**

At the wheel of a new Chrysler, you have quicker, surer, control of motion than you've ever had in a car. You can't imagine what it's like till you drive it! With this full-time power steering, hydraulic power does 4/5 the steering work at your gentle pull on the wheel! You also turn the wheel 1/3 less distance. And on rough roads, soft shoulders, snow or sand, "wheel fight" just doesn't happen. Your hand actually has five times the usual steering control, through every minute of every mile... with the same sure "wheel feel" at all times!

With this safer way to steer, power brakes make stops at all speeds safer and easier, too. Power from the engine "boosts" every touch of your toe. Actually you stop with up to 2/3 less foot pressure than non-power brakes. You can bring your Chrysler to a halt from full speeds in many feet less distance than other cars of comparable size can stop. See your Chrysler dealer soon. Feel for yourself why thousands of owners say Chrysler offers the two greatest advances in many years in driving safety and driving ease!

FORD WINS AGAIN!

TAKES FIRST PLACE IN CLASS "A"

IN THE 1952

Mobilgas Economy Run

New Ford Mileage Maker SIX Thriftiest in its Field!

Again this year... as in the past two years... Ford was first in gas economy over all other cars in its price class in the Mobilgas Economy Run. In this toughest test, a stock model Ford Six equipped with Overdrive (optional at extra cost) averaged 53.855 ton-miles per gallon and 25.463 actual miles per gallon.

This was a very special triumph for Ford's All-New Mileage Maker high-compression Six. For now, with its new design providing 101-horsepower and free-turning overhead valves, Ford is definitely pound-for-pound the most economical low-priced car to run! Yes... Ford's thrift was clearly proved by the 1,415-mile grind from Los Angeles to Sun Valley. And a very important factor contributing to this victory is Ford's Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas.

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula. Ton-miles per gallon equals the car's weight (including passengers) in tons, multiplied by number of miles travelled, divided by number of gallons consumed.

Sunset League Will Have Meeting Tonight

A very important organization meeting of the Sunset Baseball league will be held in the Times-Mirror editorial office at 7:30 this evening, when all managers or representatives of teams planning on entering the league this season should, without fail, be present.

Nick Creola, president, will be in charge of the meeting and wants at least four teams represented to get the league underway. These members should know just what backing they have, etc., so definite plans can be made.

Hot Stove League Will Meet Tuesday

Last Saturday marked the deadline for Hot Stove League players to register for the 1952 season and registration reports will be turned in tomorrow evening, when committee members meet at 8 o'clock in the Trinity Memorial Parish House.

With Charles Musante, president, presiding, reports will be made on the adult membership tickets sales, and equipment will be discussed, along with several other important items on the agenda necessary in getting the league started.

A capacity audience packed the First Evangelical United Brethren church to hear the dramatic presentation of "The Battle Hymn of the Republic" under the direction of Mr. Walter Treadway and a stirring message, "When Gamblers Get Smart," from Evangelist John Barbee. The combined efforts of the cooperating churches in the community rendered this thrilling hymn in a darkened church with spotlights playing upon draped flags. Another similar presentation is promised for another meeting.

This evening has been announced as Family Night, when recognition, in the form of an award, will be given to the largest family present. Evangelist Barbee will preach on the topic "Earthquake." As the meetings enter upon the last week of the current campaign, the community will be wanting to avail itself of this opportunity for spiritual uplift and outlook. Topics for some of the meetings will be "Playing Off Base," "Climbing to Hell," "The Second Coming of Christ."

We are asked to help and good homes for a couple of dogs. One is a two month old female puppy, small, fine entertainment for children. Any one interested is advised to call Russell 3133. The other is a female, part beagle, about a year old, that is at the home of Mrs. R. H. Heeter, Watson Farm, near Sheffield, who is of the opinion that the dog was abandoned in that area. If interested call Sheffield 4797.

In Presbytery News

Dr. Harrison Ray Anderson, moderator of the General Assembly of the Presbyterian Church, at the left, was featured speaker Sunday night in the initial service of the Erie Presbytery's 150th anniversary, held in the Meadville Presbyterian church. Installation of the newly-elected executive of the Presbytery, the Rev. George F. Kerchner, right, will take place at the spring meeting of the Presbytery at the Cambridge Springs Presbyterian church at 8:00 p. m. today.

Struthers Wells Employees Pledge 135 Pints April 23

Acting upon the excellent suggestion of Clem Wolstencroft, local officials of the Warren County Chapter American Red Cross have arranged to have the Bloodmobile make a scheduled visit to the plant of the Struthers-Wells Corporation on Wednesday, April 23, between the hours of 10:00 a. m. and 4:00 p. m.

This patriotic action on the part of management and employees of the Struthers-Wells Corporation has already brought about a total of 135 donors among officials, plant and office employees.

The Bloodmobile will be set up in the basement of the new office building of the Struthers-Wells Corporation and this in itself entails a lot of work on the part of

employees and management inasmuch as a large amount of office furniture and equipment will have to be moved out to make room for the Bloodmobile setup.

The balance of the quota of 150 pints will probably more than be met by employees of the smaller plants in the section of the city in which Struthers-Wells is located.

Needless to say that Red Cross officials are more than pleased at this idea of Mr. Wolstencroft and the cooperation of management and employees in this matter. It is to be hoped that the patriotic cooperation of every one connected with the Struthers-Wells Corporation will be followed by the management and employees of the other larger companies and manufacturing organizations throughout the city. Those who may be interested in a similar visit of the Bloodmobile to their plant are asked to contact Mr. Howard Lauffenburger concerning a date for such a visit.

BARNES

Barnes, April 21—Mr. and Mrs. Howard Loveland, Corry, were guests at the home of Mr. and Mrs. George Conquer and Mrs. Charles Burns Friday afternoon.

Mr. and Mrs. Donald Burns, Niagara Falls, N. Y., were weekend guests at the home of their parents, Mr. and Mrs. John Burns.

Mr. and Mrs. Wayne Whitton and children and Mrs. Whitton were dinner guests at the home of Mr. and Mrs. Amos Thomas in Weldbank Sunday. Mrs. Gertrude Hunter, Warren, was also a guest.

Easter guests at the home of Mrs. Harold Miller were Mr. and Mrs. Lester Lewis, Brookston; Mr. and Mrs. Joe Heel and children, Sheffield; Mr. and Mrs. E. L. Spicer, Saybrook.

Mr. and Mrs. A. S. Nichols had as their guests Sunday Mr. and Mrs. Everett Richardson and daughters, Rose Marie and Ruth Ann, and Mrs. Martha Richardson, Oil City. Mr. and Mrs. Roy Baker and daughter, Marylin, East Hickory; Mr. and Mrs. Norman Cunningham, Jersey City, N. J.; and Mrs. Harrison Dehner and Mrs. Alfred Gilbert, Leeper.

Rudolph Silvis, Jr., son of Mr. and Mrs. Rudolph Silvis of Corry, and grandson of Mr. and Mrs. Harry Silvis of Barnes, has been a patient in the Corry Hospital the past week, suffering from an attack of spinal meningitis. Harry Silvis is a medical patient at the employee's infirmary at Warren State Hospital.

Joyce Whitton, daughter of Mr. and Mrs. Wayne Whitton, is employed at the Allentown State Hospital.

The remains of Mrs. Lizzie Van Guilder, Livingston Manor, N. Y., were brought here for interment Thursday morning. She was a former Barnes resident.

Rachel Barnes, RN, is employed at the Gipsen Nursing Home in Warren.

Mr. and Mrs. W. T. Hover, Mrs. W. D. Barnes and Rachel Barnes motored to Oil City Sunday to spend the day at the home of Mr. and Mrs. Bertrand R. Hover and family. A delicious dinner had been planned to compliment the birthday anniversary of Miss Barnes.

Mrs. Ed Rudolph and Mrs. Bertha Berlin, Warren, were dinner guests at the Frank Rudolph home Sunday. Mrs. Josephine Carlson and son, Garwood, visited there during the afternoon, Garwood remaining for a few days' fishing.

Mr. and Mrs. Charles Grant, Ormsby, were callers at the home of Mrs. Ed Rudolph Saturday.

Mr. and Mrs. Robert Conquer and daughter, Kei Mae, of Hamburg, N. Y., were guests of his parents, Mr. and Mrs. C. E. Conquer, Sunday night.

Mr. and Mrs. Millard Smedley, Saybrook, were Sunday guests at the home of their daughter and son-in-law, Mr. and Mrs. Ben Allen.

Mrs. C. E. Jeffords left Saturday for Little Cooley, O., where she will spend the next few weeks visiting at the home of her daughter and son-in-law, Mr. and Mrs. John Lewis.

Mr. and Mrs. R. R. Hahn spent the weekend in Erie, where they were guests of Mr. and Mrs. Leon Roberts. Mrs. H. S. Roberts accompanied them to Erie, visiting there and at the home of Mr. and Mrs. Roy Barnes.
